## **Who can join Prisma?**

Prisma is open to all newly arrived in the municipality of Lund and asylum seekers in Skåne who want assistance in finding spare time activities in the Lund region.

## **What help can I get?**

We help you find activities based on your interests and needs. We will also accompany you a few times until you feel safe with your new activity. For activities that are not free, you can get financial help, and you can also get help with borrowing equipment for free, if needed.

At Prisma, we work with a selection of activities, which are open and particularly suitable for the people we aim to help. These include sports clubs, cultural associations, language cafés and family activities. When we meet you, we will review who we work with, so you can choose based on your needs and interests!

## **How does Prisma work?**

2. An employee from Prisma will contact you to meet for an interview. Our employees speak several different languages.
  3. During the interview you will discuss which events are of interest to you.
  4. The Prisma employee will suggest a time and place where you meet to attend the activity.
  5. Afterwards, you talk about how it went and decide whether you want to continue or try another activity.
